GUEST LECTURE CONDUCTED ON BALLISTIC SCIENCE

The Faculty of Law, The ICFAI University Himachal Pradesh organized a compelling Guest Lecture on the topic of "Advancements in Ballistics within Forensic Science." The session, held on February 27, 2024 at the University Auditorium, aimed to provide the Students and the Faculty members with valuable insights into the evolving field of ballistic analysis within forensic science.

The Guest speaker on the occasion was delivered by Brig. Dr. Rajiv Sethi who had brought a wealth of expertise to the session. As a seasoned professional with a distinguished background in forensic science, Brig. Dr. Rajiv Sethi has made significant contributions in the Indian Army, and in the academics as well. His experience and in-depth knowledge added tremendous value to the lecture.

Speaking on the occasion, Prof. Keshav Sharma, Hon'ble Vice Chancellor of the University said that Forensic science plays a pivotal role in our pursuit of truth and justice. The Forensic Science has strengthened the investigation mechanisms in the modern world.

On this occasion, the Registrar of the ICFAI University, Dr. Ajay Sharma expressed his gratitude to the Faculty of Law for organising a webinar on such an important issue and congratulated the Law Department for the successful organization of the webinar.
