

### **Symposium on “Regulatory Framework for Medical Devices”**

The Faculty of Pharmaceutical Sciences, The ICFAI University, Himachal Pradesh, successfully organized a symposium on “Regulatory Framework for Medical Devices” on February 23, 2026.

We were privileged to host Dr. Sandeep Arora, Professor and Dean, Faculty of Pharmaceutical Sciences, Amity University, Mohali, Punjab, as the Guest Speaker.

Dr. Arora delivered an insightful and highly informative session highlighting:

- ✓ Regulatory pathways for medical devices
- ✓ Compliance requirements and approval processes
- ✓ Industry expectations and career opportunities in regulatory affairs
- ✓ The role of LSSSDC and skill development initiatives

The session witnessed enthusiastic participation from students and faculty members, fostering meaningful academic interaction and industry-oriented learning.

We sincerely thank Dr. Arora for sharing his expertise and enriching our students with practical insights into the evolving regulatory landscape of medical devices.
