

Celebration of International Women's Day - March 08, 2020

To reaffirm the commitment and resolve of the ICFAI University , Himachal Pradesh towards ensuring the rights and entitlements of the female employees and students, it has been decided to implement certain strong initiatives in the University while celebrating the women's week leading to 8 th March 2020. The following activities have been undertaken:

- (a) **Self Defence Training for female students of ICFAI University.** To give due impetus to the confidence of girl students in their self defence, a proposal was initiated with Baddi Superintendent of Police for conduct of a two weeks self defence training for girl students. The proposal was thereafter taken up with state level authorities and necessary approval obtained from the police authorities. It is a matter of pride for the University that the formal training has begun on 2nd March 2020 by three officers including two female officers. Around 70 girl students are being benefitted by the training. There has been an overwhelming response from the female students for the initiative of the University. Some photographs & videos of the event are as follow
- (b) **Interaction of the Vice Chancellor & Registrar with the female employees of the University.** An interaction of the female faculties & administrative staff was scheduled wherein all initiatives of the Government of India with respect of empowerment of women were disseminated in an informal environment. All policies of UGC & the University were also intimated to them. The interaction was held on 05 th March 2020 for two hours. Some of the photographs are as follows.
