**Documentary Screening on Rabindranath Tagore**  
**14 February 2025 (Friday)**

Literacy Club has organised A Documentary Screening on Nobel Laureate Rabindranath Tagore on 14<sup>th</sup> February, 2025 (Friday) to commemorate the life and contributions of the Nobel laureate poet, philosopher, and writer. The event aimed to educate and inspire attendees by showcasing Tagore's literary genius, artistic vision, and socio-political influence. The screening was held at IUHP Auditorium and witnessed a gathering of around participants including students and faculty members.

The documentary provided an in-depth insight into Rabindranath Tagore's life, covering his early years, literary journey, contributions to Indian nationalism, establishment of Visva-Bharati University, and his impact on global literature. It featured rare footage of his life and readings of his notable works, including *Gitanjali*.

Following the screening, an engaging discussion session was conducted among the participants, where they shared their thoughts on Tagore's influence in contemporary times. The discussion provided an interactive platform for attendees to express their perspectives and exchange ideas about Tagore's lasting impact.

The documentary screening served as a tribute to Rabindranath Tagore's legacy and reinforced his relevance in today's world. The event successfully fostered appreciation for his works and encouraged further exploration of his philosophies and literary masterpieces.
