CONTENTS

Message from the Vice Chancellor

I am pleased to present the Thirteenth Annual Report of the ICFAI University, Himachal Pradesh for the year 2023-24. The report covers the academic and co-curricular activities including sports and cultural events of the University for the period April 01, 2023 to March 31, 2024. This is in compliance with Section 38 of the Institute of Chartered Financial Analysts of India University (Establishment and Regulation) Act 2011 (Act No. 43 of 2011).

This marks the 13th year of academic journey and during our last twelve years, the University has achieved numerous milestones, emerging as an institution of quality learning with integrated Academic Programmes.

The ICFAI University aims to deliver multi-disciplinary world class education through effective and efficient processes making it accessible to all sections of society. Sprawling over 47 acres and nested in the foothills of beautiful Shivalik Mountains, the University Campus is an escape from the madding crowd. Adorned with lush green trees, beautifully landscaped gardens and magnificently designed buildings with the state-of-the-art facilities, The ICFAI experience is truly international.

The ICFAI University is known for its commitment to education, with equity, access, quality, affordability & accountability as top priorities. The curriculum of the University is regularly updated to meet the needs of the global industry, the corporate sector & the research organizations.

The Students at the ICFAI University are a community of enthusiastic learners. As part of productive and knowledgeable academic community, they endeavor to constantly better themselves and achieve greater accomplishments. At our University, we all nurture a common vision of making it the preferred choice of the 21st century learners. We constantly strive to establish and foster linkages with other renowned institutions to broaden the prospects of our Students. Successful affiliations have already enriched our diverse culture, reinforced ethical values and enhanced the academic rigour.

The ICFAI University, Himachal Pradesh has signed an MoU with the Logistics Sector Skill Council, Government of India to initiate an Apprenticeship based BBA Logistics Program aiming to enhance admissions in the University from across the country. The Pharmacy Department of the University is our flagship Department.

We will strive to the best of our ability to place the ICFAI University, Himachal Pradesh amongst the leading providers of Higher Education in the Country.

Prof. (Dr.) Keshav Sharma
Vice Chancellor

Visitor

His Excellency
Shri Shiv Pratap Shukla
Hon'ble Governor
State of Himachal Pradesh

The Chancellor

Prof. V.N. Rajasekharan Pillai

1. Introduction

The ICFAI University, Himachal Pradesh was established under the provisions of the Institute of Chartered Financial Analysts of India University (Establishment and Regulation) Act 2011 (Act no. 43 of 2011) as assented by the Governor of Himachal Pradesh on October 17, 2011. The University is sponsored by the ICFAI Society, a not-for-profit educational society, established in the year 1984.

The University is committed to provide research and application oriented education to solve the various societal problems. It believes in creating and disseminating knowledge and skills in the core and the frontier areas of knowledge through the various innovative Educational Programs, Research, Consulting and through Publishing.

The University seeks to establish a cadre of professionals with a high level of competence, deep sense of ethics and a commitment to the code of professional Conduct.

2. Vision & Mission

Vision: To become a top ranking Private University of choice for the Students, Staff and the Corporates and be recognized as an Institution of Excellence in Higher Education and Research relevant to the Social needs.

Mission: The Mission of the University is to offer World Class, Innovative, Career-oriented Doctoral, Post Graduate and Undergraduate Professional Programs by Inclusive Technology-aided Pedagogies to equip the Students with the requisite Life Skills, Social Sensitivity and Ethical Values. The University shall strive to create an Intellectually stimulating environment for Research, particularly in the areas related to the Socio-Economic and Cultural Development of the State and the Nation.
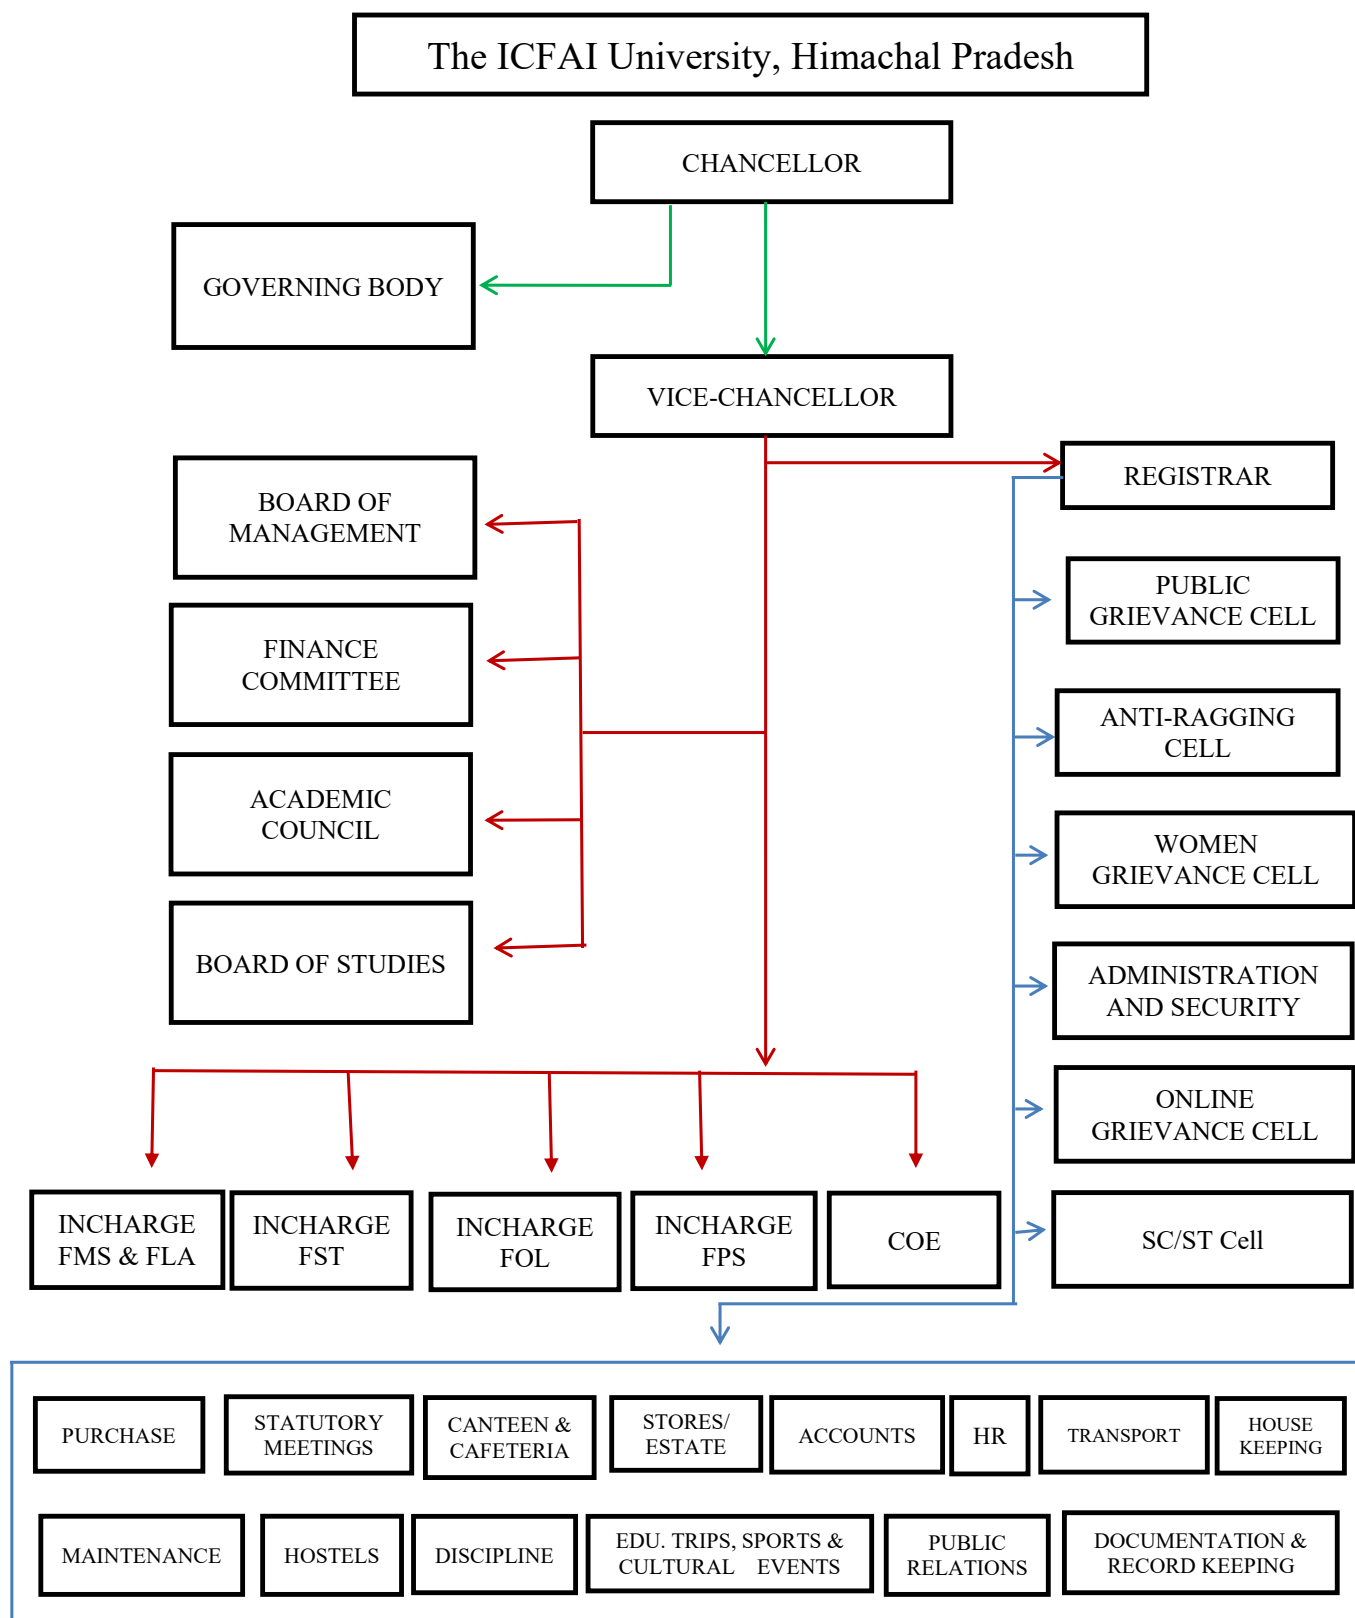

3. Governance

The ICFAI University, Himachal Pradesh is a professionally managed University. All the Statutory Bodies are constituted in accordance with the Act, Statutes and the Rules of the University. Meetings are regularly held to review the operations of the University. Issues pertaining to the Institutional Development, Long Term Strategies, Programs to be developed, Human Resources, Staff Recruitment, Training & Development and Financial matters are discussed at these meetings. Appropriate decisions are taken and guidelines are framed for implementation with the objective of achieving academic excellence.

The University Campus - Launching Great Careers

6. Infrastructure

The University is ideally located in the foothills of Shivalik Ranges near Chandigarh and in the vicinity of the Industrial Complex of Baddi. Therefore, it provides an excellent eco-system for Research, Development, Entrepreneurship as well as provides suitable placement opportunities for its Students. The University Campus is spread over 46.96 Acres of land at three plots i.e., Plot Nos. 5, 9 & 11 of the HIMUDA Education Hub, Kalujhanda, P.O. Mandhala, Barotiwala, Baddi, Distt. Solan, Himachal Pradesh-174103 (India). It has 02 lakh sq. ft. built up area on Plot No.5 with the various Academic Blocks constructed on the same.

The details of the Infrastructure are as under:

a. Classrooms: Classrooms are well equipped with the latest audio-visual equipment and furniture. Other facilities include a well-stocked Library, Science Laboratories and a Computer Centre.

b. Computer Facilities: The University is equipped with the necessary hardware and software for research and training in the Software Engineering, Programming, Data Analysis, Cyber Security and Enterprise Networking. It is equipped with servers and multiple terminals with multiple operating systems enabling a client–server environment. All computers in the labs and the Faculty cabins are provided with the LAN & the Wi-Fi leased line internet facility with an unlimited download to make use of the cloud services. The computers possess adequate backup facilities with the online UPSs.

c) Library: The University possesses a well-Stocked and fully automated library. Students have access to the finest collection of contemporary books and journals which supplement the prescribed reference books and textbooks, providing Students an opportunity to gain significant appreciation of the subjects in Engineering, Sciences, Commerce, Management, Law and Information Technology beyond the classroom-based Programs. The Library is augmented with books, periodicals, journals, magazines and other publications on a regular basis. A biometric recorder has been installed in the library to track the number of Students and the Faculty members who are visiting the library. The aim is to encourage them to attend the library regularly and frequently.

d) Other Facilities:

The University is equipped with various other facilities like:
- LCD Projectors in the classrooms.
- Internet facility to all the Faculty and Staff members, Boys and Girls Hostel and Office Complex.
- Air Conditioners are installed in the classrooms.
- Biometric Attendance of all the Students at the main gate.
- 24x7 CCTV surveillance of the entire Campus is maintained, which augments the services of the fully trained professional security staff.
- Gymnasium available for Students.

7. Faculties & Programs

Faculty of Management Studies (FMS)

The Faculty of Management Studies (FMS) is a constituent Faculty of The ICFAI University, Himachal Pradesh. The FMS offers Management and Commerce Programs with the latest pedagogy at the UG, PG & the Doctoral levels. The Programs at the FMS include BBA, Apprenticeship Based BBA in Logistics, B. Com, MBA and the M. Com Programs. The FMS is focused on creating the leaders for tomorrow.

Courses Offered at the Faculty of Management Studies(FMS)

- Bachelor of Business Administration (BBA)
- Apprenticeship based Bachelor of Business Administration in Logistics- BBA Logistics
- Bachelor of Commerce (B. Com)
- Master of Business Administration (MBA)
- Master of Commerce (M. Com)

The BBA Program:

The ICFAI University offers a three-year regular BBA Course i.e. the Bachelor of Business Administration. It is a 3-year professional Undergraduate Degree that endeavors to develop in the Students an insight into the basics of Business and Management. The BBA Program nurtures the Students and equips them with the strong foundational skills and knowledge in Management. It combines contemporary Coursework with the practical applications through which the Students are able to learn as to how to solve the complex Management problems effectively with a "Think global and act global" perspective. Following this process, the Students can acquire a high level of knowledge and skills that will help them excel in the competitive world and consequently contribute to the Society. It also prepares the Students to pursue the MBA Programs in the due Course.

BBA Enrolments	
2021-22	38
2022-23	60
2023-24	41

Apprenticeship Based Bba (Bachelor Of Business Administration) In Logistics

The Apprenticeship based BBA (Logistics) Program is being taught in collaboration with the Logistics Sector Skill Council (LSC) established by the Ministry of Skill Development and Entrepreneurship (MSDE), Government of India. BBA Logistics Management Course is a three-year Undergraduate Course in Management that deals with the activities that are related to planning, execution and the control of the smooth and consistent flow of goods. This Undergraduate Program incorporates both the theory and the practical sessions to give the Students a generous head start on the career ladder. Upon the completion of the Course, the Students can either pursue the post-graduation in the same discipline or establish a career elsewhere in the business world.

Apprenticeship Based BBA - Logistics Enrolments	
2023-24	10

The B.Com Program:

The ICFAI University offers a Three- Year regular B. Com. Course. The Program provides knowledge to the Students in the distinct areas of Business, Accounting and Finance. The Program also encourages the Students to learn through the practical knowledge which is imparted. It offers an opportunity to the Students to imbibe business skills. In the process, the Students can acquire a high level of knowledge and skills that help them in excelling in the competitive world and thereby contributing to the Society. It also prepares the Students to pursue their M. Com or the MBA Programs in the due Course.

B.Com Enrolments	
2021-22	101
2022-23	65
2023-24	68

Master Of Business Administration (MBA) Program

The ICFAI University offers a Two-Year regular Master of Business Administration (MBA) Course with different specializations and electives. The Master of Business Administration Program is designed to blend learning with development and sharpening of the conceptual and the analytical skills in Business Management. The emphasis is on the Management Education with an aim to develop a "Learning Manager" who adapts to the contemporary Business environment.

MBA Enrolments	
2022-23	39
2023-24	37

Master Of Commerce (M.Com) Program

The ICFAI University offers a Two-Year regular Master of Commerce Program which focuses on the field of Accounting, Finance, Taxation and the other emerging areas. This Program imparts the Students with the knowledge of Accounting, Banking and Financial Management and enhances their skills in these domains. The M. Com Program prepares the Students with the knowledge, skills and the strategic perspectives which are essential for the Business leadership and a managerial career in the competitive corporate world.

M.Com Enrolments

2023-24	06

Faculty of Liberal Arts (FLA)

The Faculty of Liberal Arts at the ICFAI University, established in 2020 adopts an interdisciplinary approach to Education at a global level, emphasizing reasoning. Liberal Arts encompasses various fields, including History, Political Science, Economics, Sociology, Media, Culture, Gender Studies, Literature and Communication. In line with the philosophies of Plato and Aristotle, the Faculty of Liberal Arts at the ICFAI University views education

as a quest for the truth in its purest form. The primary focus is on the shaping of an individual's identity and his comprehension of the societal landscape. It goes beyond mere communication and skill enhancement, delving into a critical analysis of life's complexities. Liberal Arts education harmonizes both the philosophical and the practical approaches, with a strong emphasis on the Research orientation.

Bachelor Of Arts In Humanities (B.A. Humanities) Program

The ICFAI University offers the B.A. (Humanities) Course, emphasizing the development of skills and intellectual growth by providing practical insights into social concepts. This 3-year Campus-based Program aims to impart comprehensive knowledge and a broad understanding of the subject. The Program focuses on various areas within the fields of Social Science and Liberal Arts, equipping Students with the necessary skills to excel in their professional lives beyond the University. Here, Students are encouraged to enhance their abilities and explore their roles in society. The B.A. (Humanities) Program amalgamates creativity, innovation and discovery.

Faculty of Science & Technology (FST)

The Faculty of Science and Technology (FST) is a constituent Faculty of The ICFAI University, Himachal Pradesh. The School offers Engineering and Science Programs with the latest pedagogical approaches at both under Graduate and Postgraduate levels. FST represents a fusion of vision and values, serving as a model for the exceptional professional education that produces modern technocrats. It embodies the culmination of relentless efforts by its founders to establish an institution for Engineering and Technology Education, aimed at nurturing technocrats capable of not only meeting the requirements of the global industries but also pioneering the cutting-edge technologies. In our commitment to creating an outstanding learning environment at FST, we have developed state-of-the-art infrastructure and engaged the services of dedicated and devoted teaching Faculty. Today, FST leads the way in providing exceptional educational facilities, maintaining an impeccable academic credentials, featuring distinguished Faculty members and offering a multitude of Programs to choose from.

Courses Offered at the Faculty of Science & Technology (FST):

- Bachelor of Technology Program (Civil Engineering and Computer Science Engineering)-B. Tech (CE) and B.Tech (CSE)
- Bachelor of Science Program (Non-Medical, Medical, Information Technology)- B.Sc. (Medical), B.Sc. (Non-Medical) and B.Sc. (I.T)

- Bachelor of Computer Application- (B.C.A)
- Master of Computer Application- (M.C.A)
- Master of Science (Physics, Chemistry, Mathematics and Botany)- M.Sc.(Physics), M.Sc.(Chemistry), M.Sc. (Mathematics) and M.Sc. (Botany)

Bachelor Of Technology (B.Tech) Program

The B.Tech Program is a full-time, Campus-based Program that provides cutting-edge Education to equip Students with a comprehensive and critical understanding of various branches of engineering. The following branches of engineering are offered:

- Computer Science and Engineering (Specialization in Artificial Intelligence)
- Civil Engineering (Specialization in Construction Management)

Faculty of Law (FoL)

The Faculty of Law(FOL) is a constituent Faculty of the ICFAI University, Himachal Pradesh and is established with an objective of developing a new generation of the legal professionals through a comprehensive, contemporary body of knowledge integrating Law with Management/ Humanities and through rigorous Education and Research Programs. The Faculty of Law at present offers a 5-year integrated B.A.-LL.B. (Hons.), BBA-LL.B. (Hons.) and LL.B. (3 Year) Programs. The Faculty of Law facilitates its Students to explore their intellectual potential and encourages their professional development through a fine blend of career-oriented Courses and compulsory internships with Eminent Lawyers, Law Firms, MNCs, PSUs, NGOs and International Organizations etc. The Courses are designed to impart legal knowledge and skills, both theoretical and practical, to the Students to make them leaders in their professional life.

Courses Offered at The Faculty of Law (FOL)

- 05 Year Integrated Bachelor of Arts with Bachelor of Law (B.A. LL. B (Honors))
- 05 Year Integrated Bachelor of Business Administration with Bachelor of Law (B.B.A LL.B. (Honors))
- 03 Year Bachelor of Law (LL.B.)

Bachelor Of Arts With Bachelor Of Law (B.A-LL.B. (Honors)) Program

The B.A.-LL.B. (Hons.) Program is a 5-Year Campus-based Program offered with a view to impart in-depth knowledge and broad understanding of the subject. The Program focuses on various areas of Social Science, Liberal Arts and Law. The Program emphasizes to imbibe the Students with the necessary values required for professing themselves in the competitive world beyond the University.

Faculty of Pharmaceutical Sciences (FPS)

Knowledge and Skills play a crucial role in finding the solutions to various challenges associated with the Management of Diseases. The Faculty of Pharmaceutical Sciences forms a key component of the ICFAI University Baddi, Solan, Himachal Pradesh. The Faculty of Pharmaceutical Sciences is dedicated to quality education, innovative Research and professional service. Our goal is to produce scientific evidence to improve medication use and health outcomes for all. The Faculty of Pharmaceutical Sciences is composed of dynamic and experienced Faculty members who are actively engaged in knowledge creation and dissemination at the frontiers of the Pharmaceutical Sciences. The Faculty members have expertise in the fields of Research encompassing Nanotechnology, Pharmacology, Pharmacognosy, Computer Aided Drug Design, Formulation and Development, Chemistry of Natural Products etc. We aim to provide experiential learning opportunities that contribute to a rigorous curriculum and prepare Students for today's dynamic world. The Faculty of Pharmaceutical Sciences has modern classrooms and Laboratories which are equipped with all the required instruments, Glassware and Chemicals. The Faculty of Pharmaceutical Sciences owns a library which has about 2500 books in it. Latest editions of Indian Pharmacopoeia, British Pharmacopoeia and United States Pharmacopoeia are available which helps Students to remain updated about the current trends of the Pharmaceutical World.

Courses offered at the Faculty of Pharmaceutical Sciences (FPS)

- Bachelor of Pharmacy (B. Pharmacy)
- Master of Science in Pharmaceutical Chemistry (M.Sc. Pharmaceutical Chemistry)

Bachelor Of Pharmacy (B. Pharma) Program

Bachelor of Pharmacy is a Four-Year Undergraduate Course. The Course curriculum combines Pharmaceutics, Pharmaceutical Chemistry, Pharmaceutical Analysis, Pharmacology and Pharmacognosy where the Students can learn the various methods of Drugs Formulations, Drug analysis, Natural and synthetic sources of Drug extraction methods and Mechanism of Actions of Drugs. The Course enables candidates to practice the profession of a pharmacist after the completion of the Degree.

The Regulatory Body for the Program is the Pharmacy Council of India (PCI), responsible for laying down all norms and regulations for the B. Pharmacy Course.

Master Of Science In Pharmaceutical Chemistry Program (M.Sc. Pharmaceutical Chemistry)

M.Sc. in Pharmaceutical Chemistry is a Two-year Postgraduate Course in Pharmaceutical Chemistry which includes the study of drugs and drug development. The discipline includes concepts and processes of drug discovery, delivery, absorption, metabolism etc. The Pharmaceutical Chemistry also involves elements of Biomedical Analysis, Pharmacology, Pharmacokinetics and Pharmacodynamics. The Candidate with Postgraduate Degree in Pharmaceutical Chemistry can pursue their career in capacities such as Scientists, Professors, Researchers, Research Executives, Quality Control and Quality Assurance Analysts, Scientific Data Entry Specialists, Patent Analysts, Pharmaceutical Patent Analyst, etc.

VI. Ph.D. PROGRAMS

The ICFAI University offers Ph.D. Programs in the areas of Management, Commerce, Mathematics, Physics, Chemistry and Computer Science & Engineering. The University is committed to providing an outstanding environment for excellence in Research and Development. The Ph.D. Program of the University is a three-year (Regular) and four-year (Part-time) Program that emphasizes developing the Student's capacity to conduct original Research. The Program encourages the Student to work independently and also to be able to identify, analyse and solve basic and applied Research problems effectively and creatively.

Programs offered during 2023-24

UG Programs

Programs	Duration	Eligibility
B.Tech (CSE & CE)	4 Years	An Applicant should have passed Class XII (or an equivalent Examination) with 50% of aggregate marks with Mathematics, Physics, Chemistry and English as subjects. Additionally, they should have a valid JEE (Main) 2024 or HPCET 2024 score.
B.Tech – Lateral Entry (CSE & CE)	3 Years	An Applicant should have passed a 3-year diploma in Engineering in the respective discipline with a minimum of 50% marks in the aggregate.
B.Sc. - Information Technology	3 Years	An Applicant should have passed Class XII or an equivalent Examination with an aggregate of 50% marks in any discipline. Students in Class XII who are awaiting their final year Examination results are also eligible to apply.
BCA	3 Years	An Applicant should have passed the 10+2 Examination (or an equivalent Examination) with an aggregate of at least 45% marks in any discipline. The class XII Students awaiting the results of their final year Examinations are also eligible to apply.
BCA – Data Science	3 Years	An Applicant should have passed the 10+2 Examination (or an equivalent Examination) with an aggregate of at least 45% marks in any discipline. The class XII Students awaiting the results of their final year Examinations are also eligible to apply.
BCA – Cyber Security	3 Years	An Applicant should have passed the 10+2 Examination (or an equivalent Examination) with an aggregate of at least 45% marks in any discipline. The class XII Students awaiting the results of their final year Examinations are also eligible to apply.
BCA – AI & IoT	3 Years	An Applicant should have passed the 10+2 Examination (or an equivalent Examination) with an aggregate of at least 45% marks in any discipline. The class XII Students awaiting the results of their final year Examinations are also eligible to apply.
B.Sc (Non-Medical) (Honours)	3 Years	An Applicant should have passed Class XII with PCM (Physics, Chemistry and Mathematics) having an aggregate of 50% or higher marks. Students in Class XII who are awaiting their final year Examination results are also eligible to apply.
B.Sc (Medical) (Honours)	3 Years	An Applicant should have passed Class XII with PCB (Physics, Chemistry and Biology) having an aggregate of 50% or higher marks. Students in Class XII who are awaiting their final year Examination results are also eligible to apply.
B.Com (Professional)	3 Years	An Applicant should have passed in Class XII (or an equivalent Examination) in any discipline with an aggregate of 40% and above marks. Class XII Students awaiting the final year Examination results are also eligible to apply.
BBA (Professional)	3 Years	An Applicant should have passed in Class XII (or an equivalent Examination) in any discipline with an aggregate of 45% and above marks. Class XII Students awaiting the final year Examination results are also eligible to apply.
Apprenticeship Based BBA – Logistics	3 Years	An Applicant should have passed in Class XII (or an equivalent Examination) in any discipline with an aggregate of 45% and above marks and 40% for the SC/ST Category. The Class XII Students awaiting the final Year Examination results are also eligible to apply.
B.A. Humanities	3 Years	An Applicant should have passed Class XII (or an equivalent Examination) in any discipline with an aggregate of 45% or higher marks. Students awaiting the results of their final year Examinations in Class XII are also eligible to apply.
B.A. English (Honors)	3 Years	An Applicant should have passed Class XII (or an equivalent Examination) in any discipline with an aggregate of 40% or higher marks. Students awaiting the results of their final year Examinations in Class XII are also eligible to apply.
LL.B.	5 Years	An Applicant should have passed Class XII (or an equivalent Examination) in any discipline with an aggregate of 45% or higher marks. Students awaiting the results of their final year Examinations in Class XII are also eligible to apply.
B.A. LL.B. (Honors)	5 Years	An Applicant should have passed Class XII (or an equivalent Examination) in any discipline with an aggregate of 45% or higher marks. Students awaiting the results of their final year Examinations in Class XII are also eligible to apply. For the reserved category Students (SC/ST), the minimum eligibility is 40% and above aggregate marks in Class XII or an equivalent Examination in any discipline. The Students appearing in their final Examination and awaiting results are also eligible to apply. The Candidates should not be more than 21 Years of age in case of the General/Open category and 22 Years in case of the SC/ST category as on the date of admission.
B.B.A. LL.B. (Honors)	5 Years	An Applicant should have passed Class XII (or an equivalent Examination) in any discipline with an aggregate of 45% or higher marks. The Students awaiting the results of their final year Examination in Class XII are also eligible to apply. For the reserved category Students (SC/ST), the minimum eligibility is 40% and above aggregate marks in Class XII or equivalent in any discipline. The Students appearing in their final year Examination and are awaiting their results are also eligible for admission. The Candidates should not be more than 21 Years of age in case of the General/Open category and 22 Years in case of the SC/ST category on the date of admission.
B. Pharmacy	4 Years	An Applicant should have passed the 10+2 examination with an aggregate of 50% and above marks conducted by the respective State/ Central Government Authorities with English as one of the subjects and Physics, Chemistry, Mathematics (PCM) or Biology (PCB / PCMB) as optional subjects. Any student possessing any other qualification as approved by the Pharmacy Council of India as equivalent to any of the above Examinations shall also be considered for admission to the B. Pharmacy Program.
B. Pharmacy (Lateral Entry)	3 Years	The Candidates should have a Diploma in the Pharmacy Course from any Institution as approved by the Pharmacy Council of India under Section 12 of the Pharmacy Act.

PG Programs

Programs	Duration	Eligibility
M.Com (Professional)	2 Years	An Applicant should have passed in Graduation in Commerce with 50% and above aggregate marks. The Students awaiting the final year Examination results are also eligible to apply.
MBA	2 Years	An Applicant should have passed the graduation in any discipline and should have passed each paper with 50% and above aggregate marks along with having qualified the CMAT or having any other eligibility criteria to his/her credit as prescribed by the Regulatory Bodies. The Students awaiting the final year Examination results are also eligible to apply. The Students should enclose an attested copy of the CMAT or any other test scorecard for the purposes of admission to the MBA Program.
MCA	2 Years	An Applicant to be eligible for the MCA Course should have passed Bachelor of Computer Applications (BCA), B.Sc. in Computer Science, B.Sc. in Information Technology, B.A. in Computer Science or a B.A. in Information Technology. Alternatively, any Graduate with 20-24 credits in the computer-related subjects or a minimum of 6 computer Courses having studied during his/her Under Graduate Degree (in case of a Degree without a credit system) is eligible, provided he/she has attained at least 50% marks (45% for the SC/ST Category) from a recognized University/ Higher Education Institution.
M.Sc. (Physics)	2 Years	An Applicant should have passed B.Sc. (Non-Medical), with a minimum of 50% marks in the aggregate or an equivalent CGPA.
M.Sc. (Chemistry)	2 Years	An Applicant should have passed B.Sc. (Medical/Non-Medical) with a minimum of 50% marks in the aggregate or an equivalent CGPA.
M.Sc. (Mathematics)	2 Years	An Applicant should have passed B.Sc. (Non-Medical), B.A with mathematics, with a minimum of 50% marks in the aggregate or an equivalent CGPA.
M.Sc. (Botany)	2 Years	An Applicant should have passed B.Sc. (Medical) with Botany/Zoology/Chemistry with 50% marks in the aggregate or an equivalent CGPA.
M.Sc. (Pharmaceutical Chemistry)	2 Years	An Applicant should have B.Sc. (Medical/Non-Medical) with an aggregate of 50% or more marks from a College or a University as recognized by the UGC/an Affiliating Authority with Chemistry as one of the compulsory subjects.
LLM (Proposed)	2 Years	An Applicant should have passed Bachelor of Laws (3 years or 5 years Law) from a recognized University or Institution with a minimum aggregate of 50% or above marks. (45% for the SC/ST Category).

Research Programs

Programs	Duration	Eligibility
Ph.D. in Management/ Commerce	Minimum 3 Years	The minimum qualification for admission to the Ph.D. Program in Management/ Commerce is a Masters Degree in Management/ Commerce with 55% marks or equivalent grade/CGPA or equivalent qualification as recognized by the University or with 50% marks for those belonging to the SC/ST Category. The University shall admit Applicants to the Ph.D. Program through an Entrance Test to be conducted by the University. The Applicants who have qualified the UGC- NET/SLET Examination or as prescribed by the UGC/the concerned Regulatory Bodies shall be exempted from the Entrance Test.
Ph.D. in Chemistry		The minimum qualification for admission to the Ph.D. Program in Chemistry is a Masters Degree in Chemistry with 55% marks or equivalent grade/CGPA or an equivalent qualification as recognized by the University or with 50% aggregate marks for those belonging to the SC/ST Category. The University shall admit Applicants to the Ph.D. Program through an Entrance Test to be conducted by the University. The Applicants who have qualified the CSIR-NET Examination or as prescribed by the UGC/the concerned Regulatory Bodies shall be exempted from the Entrance Test.
Ph.D. in Physics		The minimum qualifications for admission to the Ph.D. Program in Physics is a Masters Degree in Physics with 55% marks or equivalent grade/CGPA or an equivalent qualification as recognized by the University or with 50% aggregate marks for those belonging to the SC/ST Category. The University shall admit Applicants to the Ph.D. Program through an Entrance Test to be conducted by the University. The Applicants who have qualified the UGC- NET/SLET/CSIR-NET Examination or as prescribed by the UGC/the concerned Regulatory Bodies shall be exempted from the Entrance Test.
Ph.D. in Mathematics		The minimum qualifications for admission to the Ph.D. Program in Mathematics is a Masters Degree in Mathematics with 55% marks or equivalent grade/CGPA or an equivalent qualification as recognized by the University or with 50% aggregate marks for those belonging to the SC/ST Category. The University shall admit Applicants to the Ph.D. Program through an Entrance Test to be conducted by the University. The Applicants who have qualified the UGC- NET/SLET Examination or as prescribed by the UGC/the concerned Regulatory Bodies shall be exempted from the Entrance Test.
Ph.D in Computer Science and Engineering		The minimum qualification for admission to the Ph.D. Program in Computer Science and Engineering is a Masters Degree in Computer Science with 55% marks or equivalent grade/CGPA or an equivalent qualification as recognized by the University or with 50% aggregate marks for those belonging to the SC/ST Category. The University shall admit Applicants to the Ph.D. Program through an Entrance Test to be conducted by the University. The Applicants who have qualified the UGC-NET/ SLET/GATE with a valid score (3 Years) Examination or as prescribed by the UGC/the concerned Regulatory Bodies shall be exempted from the Entrance Test.

9. Student Activities

Panel Discussion on the Union Budget 2023

The Faculty of Management Studies organized a Panel discussion on the Union Budget 2023 on April 25, 2023. The Panel discussed the insights on the cascading effect of the announcement on the different sectors of the economy.

E-Poster Making Competition

The Faculty of Pharmaceutical Sciences organized an e-poster making competition on April 29, 2023. It highlighted the societal role played by the Pharmacists. The event encouraged the Students to present their innovative thoughts through their posters and aimed to provide the basic knowledge about the profession.

Hands-on training on Basic Laboratory Techniques

The Faculty of Pharmaceutical Sciences organized a Hands-On Training on the "Basic Laboratory Techniques" on May 04, 2023.

National Webinar on the Pharmaceutical Drug Design & Discovery: A Computational Outlook

The Faculty of Pharmaceutical Sciences organized a National Webinar on Pharmaceutical Drug Design & Discovery: A Computational Outlook on May 11, 2023.

Dental & Vital Check-Up

The Faculty of Pharmaceutical Sciences organized a Dental & Vital Check-up Camp in association with the Bhojia Dental College and Hospital, Baddi, Himachal Pradesh on May 23, 2023

Campaign on "No to Single Use Plastic"

The Faculty of Management Studies and Liberal Arts organized an event 'No to Single Use Plastic' on May 25, 2023.The signature campaign and the news-based activity was conducted to promote the use of paper bags instead of the polythene bags.

Celebration of National Engineer's Day

The Faculty of Science and Technology, celebrated the National Engineer's Day 2023 under the theme "Engineering for a Sustainable Future" on September 15, 2023.

Celebration of the National Pharmacovigilance Week

The Faculty of Pharmaceutical Sciences organized a guest lecture on the topic "Intellectual Property Rights and Innovations" to celebrate the National Pharmacovigilance Week in collaboration with Avish Launch LLP on September 19, 2023.

Workshop on the use of Manupatra Database

The Faculty of Law organized a workshop on "The use of Manupatra Legal Database for the Law Students and the Law Professionals" on September 20, 2023. The workshop aimed to raise the awareness about the importance and the use of Manupatra Legal Database for the Law Students.

Celebration of the World Habitat Day

The Faculty of Science and Technology celebrated the "World Habitat Day" on September 29, 2023 under the theme "Resilient Urban Economies". The Students pledged to build inclusive, safe, resilient and sustainable human settlements for all people, everywhere.

Visit to the Hon'ble High Court of Punjab and Haryana

The Faculty of Law embarked on an Educational and Informative visit to the Hon'ble High Court of Punjab and Haryana on October 19, 2023 The visit provided an invaluable opportunity to the Law Students to gain insight into the working of the Hon'ble High Court and to enhance their understanding of the Legal System.

Quiz Competition

The Faculty of Science and Technology organized a Quiz Competition on October 20, 2023. The Students showcased their brilliance by rapidly answering the questions.

Industrial Visit to Tech. Hangouts, Mohali

The Faculty of Science and Technology organized an Industrial Trip to Tech. Hangouts, Mohali on October 20, 2023. The objective of this industrial visit was to provide Students with the opportunity to meet the IT Industry professionals.

Clay Modelling Competition "Reviving History Through Clay"

The Faculty of Liberal Arts organized a Clay Modelling Competition "Reviving History Through Clay" on October 20, 2023. Through this competition, the Faculty celebrated the great Art Forms, Architectural Marvels, Evolution of Coin minting over ages and the glory of National symbols.
