Established under the provisions of the Institute of Chartered Financial Analysts of India University
(Establishment and Regulation) Act-2011 (Act no.43 of 2011)

26th April, 2021

AUGMENTATION OF COVID 19 COMMITTEE TO IMPLEMENT VARIOUS GUIDELINES AND ENHANCE INITIATIVES OF THE UNIVERSITY TO CONTRIBUTE TO THE SOCIETY IN GENERAL & BBN REGION IN PARTICULAR.

1. A COVID 19 Committee was constituted by the University on 29th May 2020 to ensure Compliance to various guidelines issued by MHA, MHRD, UGC, HP State Government and HP-PERC related to COVID 19. The committee carried out its responsibilities properly during the first wave of the pandemic during the period March 2020 to February 2021.

2. However as the situation has changed over a period of time and the country is facing the second wave of the pandemic, the University needs to take into account the new situation & existing realities of the pandemic and play its role towards ensuring safety of its employees & students. The University also needs to discharge its social responsibility towards the civil society in the BBN region so as to improve the awareness of the people which is considered so critical at this point in time. During the first phase of the pandemic, our rural populace was not much affected by the pandemic, however the situation is different now and more and more cases of infections are being reported from the villages. The committee is therefore required to initiate certain actions which would help the people of the Baddi region to be better aware of their safety and distribute masks to them to equip them with the protective gear. The committee is also required to advise all employees & students over the age of 18 to register for the vaccination and get vaccinated at the earliest to strengthen their protection against the COVID infection.
