**SOCIAL WELFARE CLUB EVENT “CHILDREN’S DAY CELEBRATION WITH**  
**UNDER -PRIVILEGED KIDS”**

Social welfare Club of ICFAI University Himachal Pradesh witnessed a very beautiful celebration of this year's Children's Day. Children’s day is to celebrate “childhood”. Children are loved by one and all. They win our hearts with their innocent smiles. This day is always special, as it marks the birth anniversary of our beloved Prime minister Pandit Jawaharlal Nehru who was very affectionate towards children. To honor this occasion, the Social Welfare Club under the able guidance of **Prof(Dr) Ramanjeet Singh**, Hon’ble Vice Chancellor, ICFAI University, Himachal Pradesh decided to celebrate it on 16<sup>th</sup> November 2021 with under-privileged children of village Kalujhanda since there was holiday on 14<sup>th</sup> November 2021. The main purpose of this event was to make children happy.

The event included **distribution of eatables, notebooks, pens, warm clothes to children. Fun filled activities (Dog in pond, Poshampa, Ringa-Ringa etc.) were also organized for the fun of children.** A total of **53** children participated in the event. Five faculty members and 28 students along with Social Welfare Club Heads visited Village Kalujhanda for this event.

The chief guests for the event were Rajeev Negi and Surinder Kumar, ward members of Kalujhanda Gram Panchayat, Distt. Solan, Himachal Pradesh. They graced the event and appreciated ICFAI university for celebrating this event.

The event started at 02:40 PM. First of all ward members of Gram Panchayat were honoured for their help to make this event happened. **Komal**, a student of BSc Medical 1<sup>st</sup> semester recited a poem on Children's Day. Children were given notebooks, pens, eatables and warm clothes. Fun filled activities were also organized for the children by the ICFAI students. Children took active part in fun games. The winners were given gifts and chocolates as a reward. Children also danced on top of their favorite songs. It was a wonderful experience seeing the smiling faces of the children.

Parents of the children were motivated to send their children in schools and engage them in creative activities to make their life comfortable instead of rag-picking and begging. Parents were very happy to see their children participating in the event and were also thankful to ICFAI for organizing this event. Event ended at 4:00 PM. Overall this event was very successful. Social Welfare Club is very grateful for everyone's cooperation.
