Alumni Meet is a wonderful experience for both the institute and its alumni. Institutions want to re-connect to their alumni for numerous reasons and occasions. The type of alumni meet depends on what occasion is the institution inviting its past students together. Several institutions organize alumni meet frequently at specific intervals. These reunions aren't specific to any particular batch; it can be organized for one batch or for all. Alumni from different batches come together and walk down the lane of nostalgia. The theme of the reunion revolves around nostalgia; all the activities and programs organized ensure that alumni reminisce of their golden days in college followed by cocktail and dinner. It also gives alumni a chance to interact with other alumni and grow their professional and personal networks.
