

Industrial visit – February 28, 2019

An Industrial visit to “CSIO (Central Scientific Instruments Organization)”, Sector 30, Chandigarh is organized by the Faculty of Science (FST) of ICFAI University, Baddi on Thursday, 28th February 2019. Twenty Six students and two faculties visited to CSIO on National Science Day. In the morning at 11:00 am we visited to CSIO. The students have visited various Labs (Fibre Optics Lab, Opto Chemistry Lab and Motion Sensor Lab) with the Visit coordinator. Many of the students asked different questions on current demanding technologies and they cleared all the doubt which was in students mind. All students were satisfied after the session. The visit came to an end at 1:00 p.m. Finally, we left the premises at 1.15 p.m. It was an informative, interesting and a successful visit. We thank to our respected Vice Chancellor who motivate us to arrange such an informative visit. Lately we request you to arrange more industrial visit in the future for the students which will be helpful for the students and help to train our students.
