Certified ISO 9001:2015 (Certificate No. 2209140910101) & ISO 14001:2015 (Certificate No. 2209140910201)

2. Scope

The Scope of the collaboration on the academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly.
2. Exchange of academic information, materials, and facilities
3. Organizing/ participation in the Joint symposia, seminars, webinars, conferences, and workshops etc.
4. Promoting such other activities/programs as mutually agreed from time to time

Focus Areas:

- Student's Internship
- Expert Lectures
- Industrial Visits
- Collaborative Research

2.1 Developing research projects jointly

Both the parties agree to undertake the research projects/activities through sharing of the research ideas, data and academic resources that can lead to the joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include the joint research conferences, visitations, and sabbaticals at each other's premises; subject to the mutual consent of both the parties.

2.2 Exchange of the academic information, materials, and facilities

Both the parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

Certified ISO 9001:2015 (Certificate No. 2209140910101) & ISO 14001:2015 (Certificate No. 2209140910201)

2.3 Organizing/ participation in Joint symposia, seminars, webinars, conferences, workshops etc.

Both organizations will promote their faculty and employee participation in the conferences, trainings and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, webinars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties can publicly advertise regarding the academic collaboration under this MoU among students, staff, employees etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of the other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination, and amendment

This MOU will come into the force upon affixing of the signatures of the representatives of both organizations and will remain in effect for **three (3) years**. This MOU will be renewed upon its expiry, as per the mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of the three years' period or in between the period of the three years, it must notify the other organization not less than six months prior to the expiry of the MOU. The event of the termination will not affect the participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed.

This MoU, its renewal and the actions taken under it can be reviewed at any time. Modifications to the MoU will be made by the mutual consent and any amendment or extension to the MoU will be formalized by the exchange of the letters and or emails between the two organizations.
