Editor-in-Chief**

**Dr. Samrat Dutta,
Associate Editor**

Hello Everyone!

IUHP warmly welcomes you to the second edition of its e-Newsletter 'THE LIGHT'.

The beginning of the academic session is at its heart, a fantasy of newness, despite the pandemic of COVID-19. The academic session gives the chance to do things differently and with more attention to purpose. In reality, it's also one of the most challenging times of year for many of us. With the commencement of new academic session for all the program, new dreams, hopes, aspirations and events are also unfolding. The editorial desk is thankful to all those who contributed to this edition. We hope going through this newsletter is as enjoyable for you as it is for us bringing it to you.

Happy Reading...!

EVENTS & ACTIVITIES
DURING THE PANDEMIC
COVID-19

INDEPENDENCE DAY

On the occasion of 74th Independence Day, IUHP celebrated this day with pride and festivity. Hon'ble Vice Chancellor Prof. (Dr.) H P Singh, VSM hoisted the tricolor at IUHP. Hon'ble Vice Chancellor expressed his views on the responsibility of each and every faculty member of the University towards smooth conduct of online classes of students and to fight against COVID-19 by adopting all the safety measures.

**ORCHID 2020**

Induction Program "ORCHID 2020" was conducted by the various Departments of IUHP (FMS, FOL, and FST, FLA) on 16th September, 2020 to acquaint the new students with the norms of the university. During program the respective head of the Departments briefed the students about the rules & regulations that they need to follow for the online classes and the teaching methodology that is generally followed in the university. Students were also introduced to their mentors and course coordinators. They were also informed about the extracurricular activities including clubs, committees & societies of the university.

DIRECTOR, T&P

Mr. Amit Bhatti has joined as The Director (Training & Placement) at ICF AI University; to help students identify employment options that match their career interests. Assist students in all aspects of the job search including resume writing, interviewing techniques and job referrals. Schedule and follow up on student interviews with prospective employers. The ICF AI University wishes Mr. Bhatti a successful tenure.

CENTRES AT FOL

Faculty of Law established three centers namely;

- a. Centre for Constitutional Law, Policy & Governance
- b. Centre for Law and Public Policy
- c. Centre for Criminal Law & Restorative Justice

These centers focus in fostering research in law and aim towards involving the student community and organizing events at national level.

INAUGURATION OF NEW IT AND NETWORKING LAB AT IUHP

On 19th Nov, 2020 Hon'ble Vice Chancellor Prof(Dr.) H.P. Singh, VSM inaugurated new IT and Networking lab .The lab has 75 high – tech computers with all peripherals with LAN & high speed WI-FI connection. Lab will not only make the students more competent but it will also help them in improving their quality of learning as well as in their research, virtual labs, projects, and other works.

A.I. INCUBATION CENTRE

ICFAI University, Himachal Pradesh launched an Artificial Intelligence Incubation Centre for the students of Faculty of Science & Technology Department. Hon'ble Vice Chancellor Prof. (Dr.) H P Singh, VSM had earlier organized a workshop on "Artificial Intelligence" in the IUHP auditorium on 19 Feb 2020. Also, on the 26th February, 2020 he addressed the students about Chat bot project, as the first initiative to be taken by the faculty of Science & Technology. IUHP is always working towards the benefit and better future of its students and the current initiative of starting an Incubation Centre for AI would provide the much needed boost to the efforts of innovation & entrepreneurship in the University.

INAUGURATION OF BOTANY & ZOOLOGY LAB

ICFAI University, Himachal Pradesh has commenced the first Batch of students for B.Sc. Medical during the current Academic Year 2020-21. Hon'ble Vice Chancellor Prof. (Dr.) H P Singh, VSM inaugurated the new Botany & Zoology lab. The labs are fully equipped with all the latest technology of Binoculars, Compound and Dissecting Microscopes. Other than this, the labs have specimen of various Phylum's. Hon'ble Vice Chancellor stressed on the importance of research in the development of different domains of Science and urged the faculty members to motivate the students to make best use of the available facilities.

CREATION OF NEW SPORTS INFRASTRUCTURE

During the COVID-19 pandemic period, the University created two play grounds utilizing In house resources to benefit students once they resume their normal classes. These facilities are going to be useful as the same have been created keeping the interest & inclination of the students. The following are the commendable addition to the existing sports infrastructure.

CREATION OF BASKETBALL PRACTICE BAY

It would enable the students to practice and learn Basketball in the campus

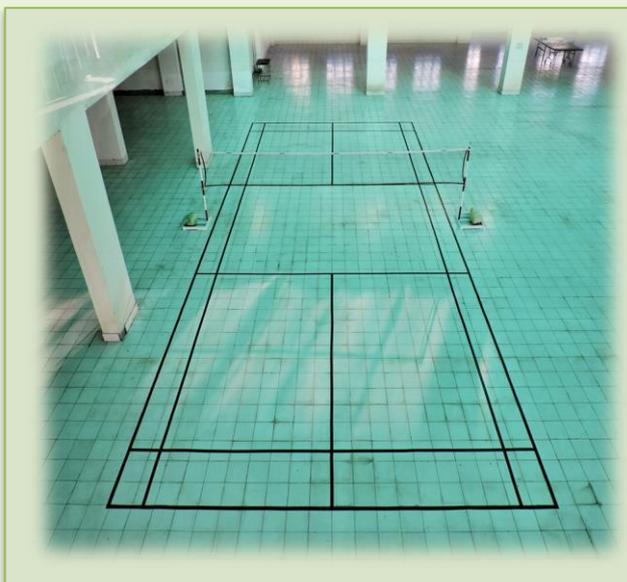

CREATION OF HANDBALL COURT

The Handball ground will enable both male & female students to enjoy learning the handball game in their spare time.

CREATION OF INDOOR BADMINTON COURT

The indoor Badminton Court enables the students to reduce stress & enjoy the game.
